THE PROPERTY

Eden Rock evolved from an imaginatively sited house built fifty years ago by Remy DeHaenen, a celebrated local adventurer and was favoured as a hideaway by Greta Garbo when she wanted to getaway. Food is served at the relaxed and barefoot 'Sandbar' and in the more formal panoramic 'On the Rocks Restaurant'. A new addition to the Eden Rock this year is a well equipped fitness centre with personalised fitness programs, yoga and pilates available individually or in small groups while manicures, pedicures and other beauty services can be arranged upon request. Snorkelling, sailing, windsurfing, kayaking and boating day trips to nearby islands are all available from the beach, while scuba diving, deep sea fishing and crewed charters are near at hand.

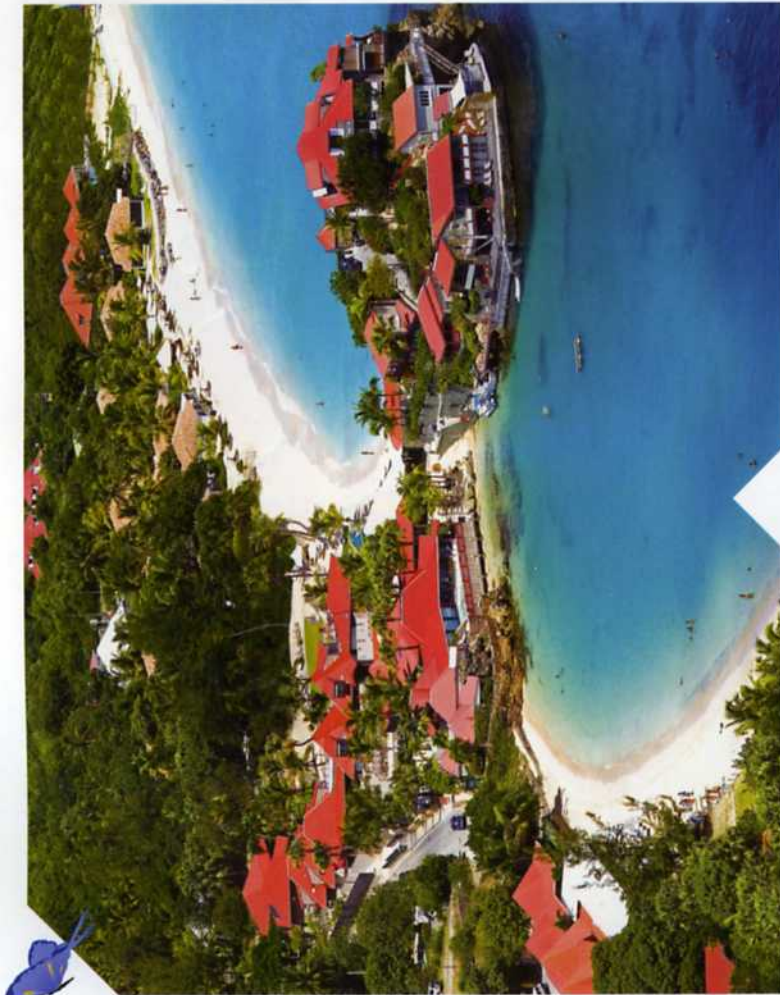

ROOMS
